Malliavin Calculus and its Applications

NSF–CBMS Regional Research Conference
Kent State University, Kent, Ohio
Thursday, August 7 to Tuesday, August 12, 2008

Principal Lecturer: David Nualart

Confirmed invited speakers:

- Patrick Cheridito, Princeton University
- Davar Khoshnevisan, University of Utah
- Jonathan Mattingly, Duke University
- Frederi Viens, Purdue University
- Yimin Xiao, Michigan State University

Registration and Conference Venue
There is no fee for attending the conference. Registration is required, and the form can be found on the conference web page. The conference venue will be the campus of Kent State University in Kent, Ohio, in Room 228 MCSB.

Funding opportunity for young researchers
This conference is being supported with funds from the National Science Foundation - Conference Board of the Mathematical Sciences. Partial travel support will be available. Please request travel support when registering; these requests must be received no later than May 30th, 2008, and be sent to Oana Mocioalca at cbms2008@math.kent.edu. Graduate students, postdocs, young researchers, and members of underrepresented groups are especially encouraged to apply.

Contributed Talks and Posters
Tuesday, August 12th will be dedicated to contributed talks. Please indicate your interest in presenting a contributed talk on your registration form. All junior researchers are encouraged to contribute a poster, and should signify their intent to do so by when registering; posters will be displayed during the whole length of the conference.
